# Vocations Exploration Day

**Date:** Saturday 25 March 2017, 10:00am - 03:30pm

**Location:** St John Long Eaton NG10 4GA

**Overview:**

Could God be prompting you to...

Explore your faith more deeply?

Use your skills and gifts in the church?

Then come along to our Vocation Day to meet with others who are exploring God's call. All Christians are called by God, by virtue of our baptism, to enjoy his love, to love God in return and to serve God and others in our lives. Another way of describing our 'calling' is to talk about 'vocation', a word which comes from the Latin word "vocare" meaning 'to call'.

Vocation doesn't just apply to those people who are called to authorised ministry. We all have a vocation to witness to the transforming love of God through worship and service to others, using the gifts that God has given them. Vocations Team will be delighted to see you

## Derby Anglican Cursillo ®

Curious about Cursillo?

Cursillo is an international movement - its aim is to empower us to grow through prayer study and action which enable us to share Gods love with all.

Cursillo began in Spain after the Spanish Civil war ended in 1939. To help restore the spiritual life of their war-ravaged country, young men of Spain began to plan a great National Pilgrimage to the shrine of St James at Compostella, to rededicate young people to the work of Christian mission. Due to the Second World War, the Pilgrimage did not take place until the summer of 1948, when some 70,000 young people under the leadership of the Pilgrim Scouts of Spain travelled to the shrine of St James to pray for the re-conversion of Spain.

Meanwhile a new Bishop, Juan Hervas, arrived in Majorca and it was with his guidance that the 3-day weekend was first held in January 1949. Its chief purpose was to give people the experience that those many young people had on their pilgrimage to the shrine of St James.

The word Cursillo means 'short course, and is an international movement - the Anglican branch in the UK began in 1981, operating in more than 30 dioceses. Derby Diocese recently using the comfortable, local Swanwick Conference Centre which provides us with space and a break from routine activities, an opportunity to learn more about our faith through short talks and fellowship as well as fun.

The unity we share is possible because we all abide by the same basic guideline principles, for our weekends and reunions which are called Ultreyas,

As one member has said of Cursillo, " she has found it empowering and realize that to continue to grow as a Christian I need to be continually nurtured, challenged and supported and I find that Cursillo is an added help along my faith journey"

Local groups meet in Erewash , Heanor and Alfreton Deaneries

If you would like to know more, our next meeting is in March, please contact Robert Sainsbury.

### **Karen has broken her arm!**

Karen would like to thank everyone for their prayers and good wishes and practical help since her fall which led to a badly broken arm. Karen will still be undertaking many of her duties, especially ones that don't involve driving, abseiling or acrobatics!!! ..... Seriously, she will have to cancel or re-arrange a few meetings but hopes to be back to full strength in a few weeks and she will be at Synod on 21<sup>st</sup> February.

She can still be contacted by the usual methods if needed
